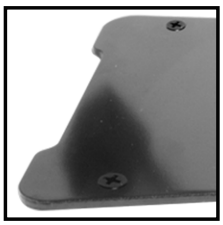
for iPad Air and iPad Air 2

Adjustable stand for both horizontal and vertical positions

Security and convenience for your iPad Air and iPad Air 2!

Sturdy security lock and cable

Lock and cable lock into the case for a secure hold



Security screws for securing to surface

Keep the iPad Air protected and secured with CTA Digital's Anti-Theft Security Case with Stand for iPad Air and iPad Air 2. This is an ideal security stand solution for display, point of sale or personal use. The slim but strong case is designed to fit the iPad Air with convenient access to all ports and buttons. The iPad Air easily slides in and can be safely kept inside the protective case and locked to a secure object using the included cable lock and keys. The case can tilt 180° to easily adjust the viewing angle and rotate for horizontal or vertical views. A solid metal stand offers stability and can be secured to a desk or countertop through predrilled holes for easy installation and extra security. With the perfect design to serve as a workstation, retail display or POS iPad stand you can have convenience and security using CTA's Anti-Theft Security Case with Stand for iPad Air.
